

St Columba's Catholic Primary School

Children of staff on school premises Policy

Statement

At St. Columba's Catholic Primary School we recognise that there may be occasions when staff ask to bring children onto the premises due to childcare or educational issues. We aim to support our staff in any way reasonable and will make their children welcome when circumstances mean that they are on site.

Responsibility

The school

Under the terms of our school liability and insurance the school has responsibilities to ensure the Health and Safety of all those on the school premises, including visitors. This includes the children of our staff.

Staff

All staff are to read and sign the attached form in recognition of the fact that whilst their children are on the school site they are entirely responsible for their behaviour and any consequences thereof. They undertake to pay for any damage caused and accept responsibility for the actions of their children.
